Subject Index to Volume 73

Acquired immunodeficiency syndrome (AIDS)
  approach to care, academic medical center, 301
Adenovirus vectors
  ups and downs, 53
Adolescents
  African-American, risk and protective behaviors in friendship groups, 285
  alcohol use, early family-centered prevention, 335
  school attendance, health risk behaviors, and self-esteem in, 255
African-Americans
  adolescents, risk and protective behaviors in friendship groups, 285
Aggressive behaviors
  violence prevention, efforts by American Academy of Pediatrics, 398
Air pollution
  New York Academy of Medicine, 150 years, 433
Alcohol
  use by adolescents, early family-centered prevention, 335
Ambulance services
  New York Academy of Medicine, 150 years, 433
Angioplasty
  attacking heart disease with molecular tools, 25
Attention-deficit disorders
  scales, adults (book review), 467

Book reviews
  The Best Intentions: Unintended Pregnancy and the Well-being of Children and Families, 459
  DSM-IV Training Guide and *Handbook of Diagnosis and Treatment of the DSM-IV*, 461
  Interfacing the IBM-PC to Medical Equipment: The Art of Serial Communication, 217
  Neonatal Behavioral Assessment Scale, 3rd Edition, 463
  True and False Allegations of Child Sexual Abuse: Assessment Management, 465
  Vandals at the Gates of Medicine–Historic Perspectives on the Battle over Health Care Reform, 215
Brazelton neonatal assessment (book review), 463

Child abuse
  sexual, true and false allegations (book review), 465
  violence prevention, efforts by American Academy of Pediatrics, 398
Children
  health services, improving access to, 237
  underserved, urban health services for, 105
  urban, stressed, resilience in, 267
Cholera
  New York Academy of Medicine, 150 years, 433
Cigarette smoking
  occupation and, lung cancer, 370
Community rating
  competition in health care, 224
Competition
  health care, 224
Computers
  interfacing to medical equipment (book review), 217
Contraception
  development, family planning and, 92

Decategorization of health care
  children, 237
Diphtheria
  New York Academy of Medicine, 150 years, 433
Domestic violence
  prevention, efforts by American Academy of Pediatrics, 398

Ecology

medical care, 187, 206, 209, 211
Editor's note
This issue of Journal of Urban Health, 1, 219
Epidemiology
urban medicine, 70

Family
prevention centered in, alcohol use by adolescents, 335
violence, prevention efforts by American Academy of Pediatrics, 398
Family planning
contraception development and, 92
Fee-for-service
improving quality, 81

Gun control
violence prevention and, efforts by American Academy of Pediatrics, 398

Health care
access to, children, 237
improving the quality of, 81
patterns of, hospital care variability, 15 New York hospitals, 314
services, HIV and AIDS, 301
Health care reform
historic perspectives (book review), 215
potential and limits of, 224
redesign, New York City, 411
Health maintenance organization
impact of managed care on physicians, Mahoney Symposium, 490
managed care experiences by type of plan, Mahoney Symposium, 506
Medicaid and, Mahoney Symposium, 496
Health policy
contraceptive development and better family planning, 92
role of government in urban health problems, 60
seminar series, culture of managed care, 149
Health risk behaviors
adolescents, school attendance and self-esteem in, 255
Heart disease
novel molecular tools for, 25
Hospital
teaching, managed care and, Mahoney Symposium, 484
Hospital care
as a human system, 418, 430
public hospitals, re-engineering of, 357
variability, patient experience, 15 New York hospitals, 314
Human immunodeficiency virus (HIV)
approach to care, academic medical center, 301
therapy of infections, 37

Institute of Medicine
New York Academy of Medicine and, Inside Urban Health, 6
25th anniversary
biographical sketches of participants, 141
concluding remarks, 138
introductory remarks, 9
special address, Mayor of New York City, 59
Insurance
competition in health care, 224
Integration of health systems
improving quality, 81

Jobs
cigarette smoking and, lung cancer, 370

Life expectancy
changes in, 213
Lung cancer
cigarette smoking, occupation and, 370

Malaria
New York City, 456
Managed care
academic health centers and, Mahoney Symposium, 484
competition in health care, 224
culture of
biographical sketches of participants, 184

health policy seminar series, 149
implications for patients, 173
experiences by type of plan, Mahoney Symposium, 506
impact of, Mahoney Symposium, 490
improving quality, 81
introduction to Mahoney Symposium, 480
Medicaid, Mahoney Symposium, 496
new economics of health care, Mahoney Symposium Keynote address, 538
Margaret E. Mahoney Symposium on the State of the Nation's Health
academic health centers, 484
foreword, 477
future of managed care, 490
introduction, 480
keynote address: new economics of health care, 538
commentary, 561, 564, 568, 573
response, 579
managed care by type of plan, 506
Medicaid, 496
panel discussion, 588
presentation of the Margaret E. Mahoney Award, 588
questions from the floor, 532
response by the recipient of the Margaret E. Mahoney Award, 588
Measles
New York Academy of Medicine, 150 years, 433
Medicaid
competition in health care, 224
improving health care access for children, 237
Mahoney Symposium, 496
Medical education
academic health centers in an era of managed care, Mahoney Symposium, 484
Meningitis
New York Academy of Medicine, 150 years, 433
Molecular biology
attacking heart disease, 25
Municipal hospitals
re-engineering of, 357

Narcissism
attention-deficit scales, adults (book review), 467
Neonatal assessment scale
Brazelton (book review), 463
New York Academy of Medicine
Institute of Medicine and, Inside Urban Health, 6
150 years, series of exhibitions, 433
New York State Department of Health
policy directions in managed care, 149
role in urban health problems, 130
Noise pollution
New York Academy of Medicine, 150 years, 433

Outcome reporting
hospital care variability, 15 New York hospitals, 314

Patient experience
hospital care variability, 15 New York hospitals, 314
Peers
friendship groups, African-American adolescents, risk and protective behaviors in, 285
Preferred Provider Organization
managed care experiences by type of plan, Mahoney Symposium, 506
Pregnancy
unintended, family planning, 92
unintended (book review), 459
Private sector
health care reform, New York City, 411
Protective behaviors
friendship groups, African-American adolescents, risk and, 285
Psychiatric diagnosis
DSM-IV training guide (book review), 461
Public health
New York Academy of Medicine, 150 years, series of exhibitions, 433
Public hospitals
re-engineering of, 357

Public sector
health care reform, New York City, 411

Rapamycin
molecular tools for attacking heart disease, 25
Resilience
stressed urban children, 267

Schizophrenia
attention-deficit scales, adults (book review), 467
School attendance
adolescents, application for work papers and, 255
Self-esteem
adolescents, school attendance and health risk behaviors in, 255
Sexual abuse
true and false allegations (book review), 465
Smallpox
New York Academy of Medicine, 150 years, 433
State Health Departments
role in urban health problems, 130
Stress
urban children, resilience in, 267

Tuberculosis
New York Academy of Medicine, 150 years, 433
science for combatting, 46
Typhus
New York Academy of Medicine, 150 years, 433

Urban health
changes in life expectancy, 213
epidemiology in, 70
joint scientific symposium, 25th anniversary of Institute of Medicine, 6
malaria in New York City, 456
problems
role of government in, 60
role of State Health Departments in, 130
underserved children, 105

Vaccine development
fostering partnerships for, 113
fundamentals, 53
Violence
prevention, efforts by American Academy of Pediatrics, 398
protection, clinical, 124

Wellness
stressed urban children, resilience in, 267

Yellow fever
New York Academy of Medicine, 150 years, 433
